TASK: **Step 1.** With your team or on your own, go through each column and cross out the words that don't make sense to you
Step 2. Re-write the ones you or your team crossed out, and add comments or new ideas and definitions _____ that are missing at the right
Step 3. Use your framework to celebrate what you are already good at, and highlight which areas you need to work on to complete your project
Step 4. Ask your teacher or parent about taking the online FutureWe.org/Framework survey to get a PDF report of your abilities

Learn more, find latest versions + join to help grow the framework:
